Ovarian Cyst and Ovarian Dysfunction

**Ovarian (twisted) cyst**
- Congenital
- Developmental
- In pregnancy or childbirth
- Neoplastic
- Polycystic ovarian syndrome
- Adherent
- Chocolate
- Corpus
- Dermoid
- Due to failure or involution
- Endometrial
- Follicular (graafian) (hemorrhagic)
- Hemorrhagic
- Multilocular
- Pseudomucinous
- Retention
- Serous
- Simple
- Theca lutein (hemorrhagic)
- Tuberculous

**Ovarian dysfunction**
- Isolated gonadotropin deficiency
- Postprocedural failure
- Androgen excess
- Decreased estrogen
- Estrogen excess
- Hypersecretion of androgens
- Polycystic syndrome
- Primary failure
- Resistant syndrome
- Sclerocystic syndrome
